Effect of Pre-emergence Herbicides on Control of Weeds in Groundnut.
V. M. Bhan and Megh Singh 62

Herbicidal-Cum-Cultural Weed Control Studies in High Land Rice. II-Effect on weed growth
Anirudha Misra and N. C. Roy 68

Studies on Post-emergence application of different formulations of 2, 4-Dichlorophenoxyacetic Acid for Weed Control in Sugarcane
H. S. Gill, Onkar Singh and C. N. Babu 76

2, 4-D effect associated with the Anatomical Changes in killing Chenopodium album L.
Ashwani K. Srivastava and Vijay K. Sharma 84

Effect of sodium arsenite and maleic hydrazide on the linear growth of seedlings of some weeds
S. N. Khosla 88

Physiological and enzymological effects of some weedicides on excised cotyledons of Tephrosia purpurea.
Shyam Kathju and M. N. Tewari 92

Chemical control of Cyperus rotundus L.
S. N. Khosla and C. K. Atal 95

Tolerance of Azotobacter to some herbicides
K. C. Misra and A. C. Gaur 99

Survey of Major Distribution of Weed Flora in Four Field Crops at Bhubaneswar Area
G. K. Patro 104

Studies on Residual Persistence of Herbicides in Red Soil
D. G. Chandra Singh, and I. V. Subba Rao 112

Ecological studies on Crop area Weeds in India-A Review
Vinod Shankar 120

First all India workshop on Crop Protection

Summary of weed control session 130
