It was also suggested to update some clauses in bye laws while making new registration.

Dr. VK Choudhary, Treasurer, ISWS informed the house receipt and expenditure statement of the society during the last year. He informed that as per suggestions of Chartered Accountant, transaction of above Rs 10000 is being done by Cheque or Online transfer only. Dr. Choudhary informed that Society was having total assets of ₹ 1,12,07,706.61 by the end of 2019 including 8 FDs.

Dr. JS Mishra, Chief Editor informed the house about the timely publication of all issues of 2019 of Indian Journal of Weed Science. Dr. Mishra thanked all the members of Editorial Board and referees for critical evaluation of papers submitted in IJWS for consideration. He told that there was about 25% rejection rate of the papers and emphasized that this need to be increased to at least 35% to increase the NAAS rating.

Dr. Dr Bhumesk Kumar, Vice President, Dr. Anil Kumar, Vice President, Dr. V.S.G.R. Naidu, Joint Secretary and Dr. B. Duray, Joint Secretary also shared their views to enhance the visibility and transparency of the society.

After a thorough discussion on various issues related to the functioning of Society, the following points emerged:

- i. Concern was raised by some members on non listing of the IJWS in UGC recognized Journal list. It was decided that necessary efforts will be taken by the society to submit representation to include IJWS in the UGC approved list of Journals.

- ii. It was decided to delete the names of all such members from the database who have expired or difficult to trace. Councilors of respective states were requested to update the information.
- iii. Audit report of 2018-19 was presented on the financial status of the ISWS and approved.
- iv. In view of sufficient overseas participation, it was decided that society shall organize every fourth year an 'International Conference' instead of 'Biennial Conference' to make ISWS an international name.

On the basis of discussions in the GB meeting, the following resolutions were passed:

- i. Annual Library membership will be enhanced from Rs 7000 to Rs 10,000. It was decided to unchanged Life membership to attract more researchers to join the society.
- ii. It was decided that ISWS shall also participate in bidding process for organization of International Weed Science Congress in 2024 in India.
- iii. It was decided to delete the names of all such members from the database who have expired and are not responding and traceable.
- iv. To transfer/dissolve the society from Bengaluru to Jabalpur following the rules of Society's act.

All members expressed happiness at the outcome of the meeting. In the end a formal vote of thanks was proposed by Dr Shobha Sondhia, Secretary, ISWS.
